## REPLACEMENT SHEET

The image shows a screenshot of a software window titled "OPTIONS". The window has a menu bar with "REFRESH", "CONNECT", "UPDATE", and "GENERAL". Below the menu bar, there are four callouts: 406 pointing to "REFRESH", 408 pointing to "CONNECT", 410 pointing to "UPDATE", and 412 pointing to "GENERAL". The main area of the dialog contains a "NAME:" label followed by a dropdown menu showing "- CREATE NEW -" with a callout 402. Below this are two radio buttons: "MANUAL" (selected) and "AUTOMATIC", with a callout 403 pointing to the "MANUAL" button. A horizontal line separates this section from the "RECURRANCE PATTERN -" section. This section contains a "RECUR EVERY" label followed by a text box containing "1" and "WEEK(S) ON:". Below this are two rows of checkboxes for days of the week: "MONDAY", "TUESDAY", "WEDNESDAY", "THURSDAY" in the first row, and "FRIDAY", "SATURDAY", "SUNDAY" in the second row. A "TIME:" label is followed by a text box containing "10:00 PM". Below this is a "RECUR DAILY" radio button (selected) followed by a "TIME:" label and an empty text box. A large callout 404 encompasses the "RECUR EVERY", "WEEK(S) ON:", and "RECUR DAILY" sections. To the right of the "RECURRANCE PATTERN -" section are three buttons: "SETUP", "DELETE", and "SAVE", with a callout 405 pointing to the "SETUP" button. At the bottom of the dialog are three buttons: "OK", "CANCEL", and "HELP". An arrow points from the bottom right of the dialog to the number 400.
